quickly

that

Is it really
in a place
like
this ?

And
return
it
to
my body

Is it
crazier?

Would it need
some kind
of
excuse then?

Want
me

Follow.

It's not
impossible
yet...

How strange. Even
if we don't know
it's a key...

Come
on, it
can't
break
that
easily

How
about
we try
placing
our

I'm

Lichio

It's
like
...
precious
stones

Your
father
really
loves
you,
Lichio

Father
bought
these
for me

No,
no

To be
honest,
we're
looking
for
something

What
is it?

Lichio
will
help you
find it
too

Oh

Sorry

We're still training, so we can't do that yet

Un!

I love father too, so I want to cure his illness

We have to go and find them

Loving each other is wonderful... isn't Yule?

Tomorrow I'll help you look for them too

It is definitely around here.

That is what Vuzelyte indicates

Who
are we?
Where
do we
come from?

Why
can we
use
these
powers?

Take it...? What about?
...them?

I
need
to take
it
back
...

No
understand
the secret
behind
our existence,
the only link
we have is
the stones

Must
hurry
...

Must
hurry
...

this
power
is not
normal
!

Not only
we
do not
know
our own
existence.

Why
are
you
always
so
skeptical
?

This place
is much
more
comfortable
than where
we found
take our
first
time to
find it.

That's
why
it's so
easy
to
do.

We
don't have
any real
goals
anymore.

Hold
on.

Maybe to
the real us,
it actually
isn't anything
unusual
!

Why are you
stressing over
this power
being abnormal
?

Maybe
this power
isn't unusual
and it's just
that we are
the only ones
on this planet
who has it?

I'm not
worried
because
you're
here.

Not
alone

and
I'm not
alone

Is
that
so...

That apart
from us,
there
may be
others who
have
this power

That
means

During this time
finding the others
maybe we'll meet
somebody who can help
searching for them.

Um
...
maybe.

Maybe we'll even
meet somebody
who knows me.

Yuki,
Sakura,
over here.

This is
my
mother's
grave.

A pet that my
Father and
Mother really liked
before
I was born.

Toto?

What about
that little
grave?

That's
Toto's
grave.

Mother
loves
this
hill
very
much.

Ok,
let's go
and
find
the stones
!

I have
to hurry
and find

someone
to
take care
of Lichia
in place
of me

Here

In order to
find out
who we are,

The only thing
we can do now
is collect
the stones

OPAL

Huh
?

Sakura's right,
there's no use
in being
impatient,
but,

Why would
not being able
to fuse with
the stones
make me feel
so uneasy?

WAGDE-
LYITE

It's
around
here
somewhere

OPAL

What
we
know is
extremely
limited

During
fusion, we can
identify
the name
of the stone,
or well
it's power

How
should I
put it

When
the stone
fuses
with
the body

It will
automatic-
ally
introduce
itself

Would it
really be
like that?

You'll
definitely
find
your
stones

I still
can not
find any
traces of
the stone

That's
just
wishing
thinking

Sakura

Sakura

Sigh -

I guess Yuki's Veselyite is needed to find the dispersed stones

Hello

Yol Lichia

Lichia helped us look all day too,

are you tired ?

I'm trying to find the stones, it should be close

No,

Taking a walk ?

Yuki's looking for the stones

Where's Yuki?
Didn't he come with you?

Liche is happy being with Yuki and Sekuro

Not at all!
Just that it's disappointing that we couldn't find the stones

Are those stones really important?

It is the only clue we have for finding out who we are

We need them to become adept sencers

Yes

That means,
there
might be
some stones
that can cure
my Father
?

The
stones
have many
different
kinds of
powers,

Opal
that I have
in my body
bestows
the ability
to fly

You
really love
your Father
don't you,
Lichia
?

Then,
we have
to work hard,
Lichia is
going to
wake up
very early
tomorrow

Yes,
there
should be

DEG

I know !

It's OK for me to move around with Opol, but not you !

We can't search around for the stones if we get locked up !

Ooh, blushing !

As if, I was worried about Lichia !!

But, you came looking because you were worried about me.

Don't worry, I won't leave you all by yourself

Stop it

I understand, I understand, you like me that much

I'm really happy so I forgive you!

Like how a newborn chick
recognizes
the first thing
it sees as
it's mother

Cling on
to people
to such
a shameful
degree...

Why does
this idiot,

My situation
was just
the opposite,

The awakened
and was the

It was
Sakura
who found
me,

I am

This place
is ...

Where
am I

What am I

You're
the same
as me.

We're
the same.

someone
who is
the same
as me,

I've
always
been waiting
|

I've
finally
found you,

As long
as we're
together

It's a bit
more
reassuring
when you're
not alone,
right?

When we
are together,
even if it's
in the dark,
we don't
have to be
afraid

However,
my uneasiness
has remained

The uneasiness
of not knowing
anything, and
the uneasiness
about possibly
being of a
different
existence...

Yuki
?

How can
you be so
carefree

I only
feel
extremely
nervous

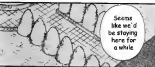

Yup

I understand!

The next stone is mine

But we can't do anything until we found out who we are

Seems like we'd be staying here for a while

In the end

Do
you
know
them
?

Lichia

Yeah
!

Are you
working
in my
house
?
Hurray,
we
can be
together
now

They're
sorcerers,
Father

Oops

Lichia,
you go
back to
your room
first,

Father
wants to
speak with
these
2 people

Lichia
slipped
up

Sar
....
Sorry
....

Did Lichia wish for anything from you sorcerers then?

especially if it something that I'm against...

She used to have a lot of friends.

These days she's always staying at home with me

Lichia said she'd like us to cure your illness

Lichia knows then?

Yes

She said that?

If I have
an attack
one more
time...

I have
a heart
defect.

Is your illness
really that
serious?

I'd
probably
part from
this world

Please
can you
also
help me

Help
you?

Right

He's
here?

Master

There's
a visitor

Separate
Lichia
from me

No

It should
be
separating
me from
Lichia

You can't,
you must first
be approved by
the Master

Sir,

Sir,

Please
understand
the feelings
of a man
crazy in love.

I want
to see
my future
wife
immediately

knock!
knock!

Coming

DREAM
- ! -

Hey!
You're
really
cute
!

My
future
wife
!

Is it Yuki?
Or Sakura?
Have you
finished
talking
with
Father?

WAAH

!

Why does Father want Lichio to marry so early?

Has Lichio become Father's burden?

At least
before I go.

I can
leave
in peace

To see
you
being
a bride.

It is
father's
dream

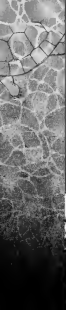

That's
not
possible

Lichia,
and for
her
Father

May,
Yuki

Go
for
it!

Full Power Release !!

It makes him hard to approach

He's a hard-working guy, but

That crackling electricity emitting from him is quite scary

We can only pray that the stone here is of that type!

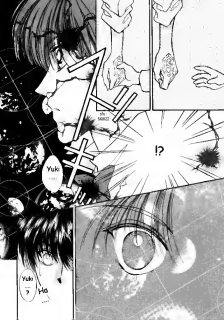

but this is the only thing we can do

Even if there is, it might not be found here.

Stones with healing abilities maybe doesn't exist

the family instructor has also been waiting since this morning

Yes, we have searched everywhere

Lichia

....

You should talk it through with him, tell him to wait until you're older.

That is his dream, we can't change it with our powers

tell him that before that, you want to stay with him

...

Lichia, where did you go ?

Lichia

There is no need .. he doesn't like Lichia anymore

But,
it's still
not
working

Lichia

main characters are Yuki
and Subaru. I'm really bad
at choosing names, it's like
that for all manga I draw.
Girls names usually have RA.

It's almost the same
with the boy's. Sakura,
Ryuu, Akira. (These 3 names
turn up in the song songs)
I just somehow think that
Ra, Ra, Ra, Ra Ra sounds
have more of a flow
don't know why.

But names are really
important and I'm always
forgetting.

Sweetdreams
I didn't translate all of
sensei's efforts... I think
there's something about
dialing. I just can't
be bothered.

Editor Thoughts

Let me introduce myself. I'm Ota,
the editor for this series. I like
to do it for a reason I can't explain it
and make everybody happy
for sure. I have many reasons
to do it... *shishishu*.
I feel depressed when I know
that I haven't read GATA
in 3 months or so...

For some reason I chose calls like Father— Papa later on. (And I wanted to use Papa to begin with as well.) But I thought I'd just keep translating it as Father. For some strategy I take.

My 8th grade was a very nice story, but I am glad that it is over. I couldn't stand typing L, it is more than I have to
